

ROCKWELL AIM 65 LIMITED 90-DAY WARRANTY

Rockwell International Corporation warrants this R6500 Advanced Interactive Microcomputer (AIM 65), and any accessories provided by Rockwell (except software), against defects in materials and workmanship for a period of ninety (90) days from the date of retail sale. In case of a defect, Rockwell International will, at its option, repair or replace the AIM 65, without charge.

For service under this warranty:

1. Outside the Continental United States check with your local authorized Rockwell Distributor first (a list is on the reverse side). In most cases your AIM 65 computer unit can be repaired locally by the Distributor. In the U.S.A. and whenever you cannot obtain local repair . . .
2. Pack the AIM 65 carefully (preferably in its original container), to avoid breakage in transit.
3. With the AIM 65, enclose a *copy* of your invoice, sales slip, or other *dated proof of purchase* which shows the serial number of the unit being returned along with a full description of the problem.
4. Mail it prepaid insured to:

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Rockwell International software or the documentation describing such software is sold or licensed "as is." The entire risk as to its quality and performance is with the buyer.

Exclusions and Limitations: This warranty does not extend to any damage or malfunction resulting from misuse, neglect or accident. Except for any implied warranty, this warranty contains the entire obligation of Rockwell, and the remedies described above are the exclusive remedies under this warranty or any implied warranty. The duration of any implied warranty is limited to ninety (90) days. (Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.) **IN NO EVENT SHALL ROCKWELL BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.** (Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.)

Out-of-Warranty Service. If the warranty period has expired or the AIM 65 is returned without proof of purchase date or serial number documented, we will repair and return the AIM 65 C.O.D., or charges collect, at prevailing service rates. To avoid delays call or write your local distributor or the Customer Service Center in advance, for the amount of out-of-warranty charges, then forward your payment in advance.

Spare Parts. Repair parts are available to repair your AIM 65. The spare parts list is enclosed with your new AIM 65. You may order spare parts by telephoning (800) 351-6018.

The AIM 65 Printer uses thermal/heat-sensitive paper. This paper is available from our Service Center, as Part Number TT270 (In U.S.A., Sears, Type 3974 and Olivetti, Type 74707 or 74708 may also be used). THE USE OF SOME THERMAL PAPER ROLLS MAY PERMANENTLY DAMAGE YOUR PRINTER. USE ONLY ROCKWELL RECOMMENDED TYPES. Before using anything else, check with your distributor or the Rockwell Service Center.
